Attendance Policy:

Because Religious Education through the years is cumulative and lays the foundation for a lifetime of faith formation, regular attendance is critical for successful Christian Formation. This policy has been established to help clarify the expectations of parents and students in their participation and commitment to Religious Education at St. Bernadette Church.

On-time, consistent attendance in Religious Education classes is expected. Lapses in attendance cause a disruption in your child's understanding and participation, especially during years of Sacramental Preparation. Students must attend one year before a sacrament is received.

Attendance records are part of the child's permanent Diocesan record. Diocesan policy 5112.1 states: "Any child or youth should participate in at least thirty (30) hours of formal religious education each year." **An average attendance of 75% or greater is required.**

When your child is absent, an absence note, phone call, or e-mail is requested. If there is a pattern of three or more absences and class work not made up, a parent /DRE conference will be requested. The student is to work with the teacher to make up missed assignments in a timely manner. Our attendance policy will be strictly enforced.

I have read and understand the attendance policy as written.
